

ENTERING AS I

DO UPON MY

SIXTH BUSINESS

YEAR in ABILENE,

I do so with a kind feeling towards my fellow citizens. Having completed my fifth year among you in good fellowship, I feel like thanking you, kind friends, one and all, for the many substantial tokens of friendship you have extended towards me; and if I have merited your approbation, so much the better. Did I not, it was surely the fault of the head, not the heart.

WE WANT YOU TO JUDGE THE FUTURE BY THE PAST.

This Fall I have put forth the greatest effort of my business career. Double pains have been taken in selecting

Fall Styles in Men's, Boys and Children's Clothing, both in quantity and quality, and at no time have I bought

so many goods and of such good quality, styles, etc., my present financial condition enabling me to obtain closer

prices on merchandise than most other merchants are able to get. We call especial attention to our

OVERCOAT DEPARTMENT.

It is ahead of all my previous efforts. Come and make your selection at once. I have the most beautiful styles of French and English Goods, Meltons, Diagonals, Cassimeres, with and without Silk Facings, Satin and Silk Lined. In fact, Gentlemen, you will be astonished to see how beautiful my new line of Overcoats are. Call in and see them.
